P.C.:

1. Heard. This appears to be the 4th application for being released on bail in Criminal AppeaL No. 783 of 2003. When the Criminal application No. 5243 of 2002 was heard the applicant had prayed for release on bail on the ground that he was suffering from tuberculosis and the said application came to be rejected on 6.4.2004.

2. Pursuant to the order passed by this court on 27/10/2005 the learned APP has placed on record the medical report from C.P. R. General Hospital Kolhapur, which indicates that the applicant Krishna has been detected to be HIV positive. The learned APP states that the Government Hospitals have the facility for providing the treatment to such patients as well and therefore we do not see any reason to entertain this fresh application. The application is hereby rejected.
